Mind the Gap

- ★ You should all have received your 'Mind the Gap' workbook in the post last week. Please start working through the activities, photograph pages you have completed and upload to seesaw or email to me. If you have not received your workbook please let me know.
- ★ Check out our **Graduating Class 2020** tab on the website for guidance on how to complete the Mind the Gap activities and for graduation messages from several celebrities and President Michael D. Higgins.

Video

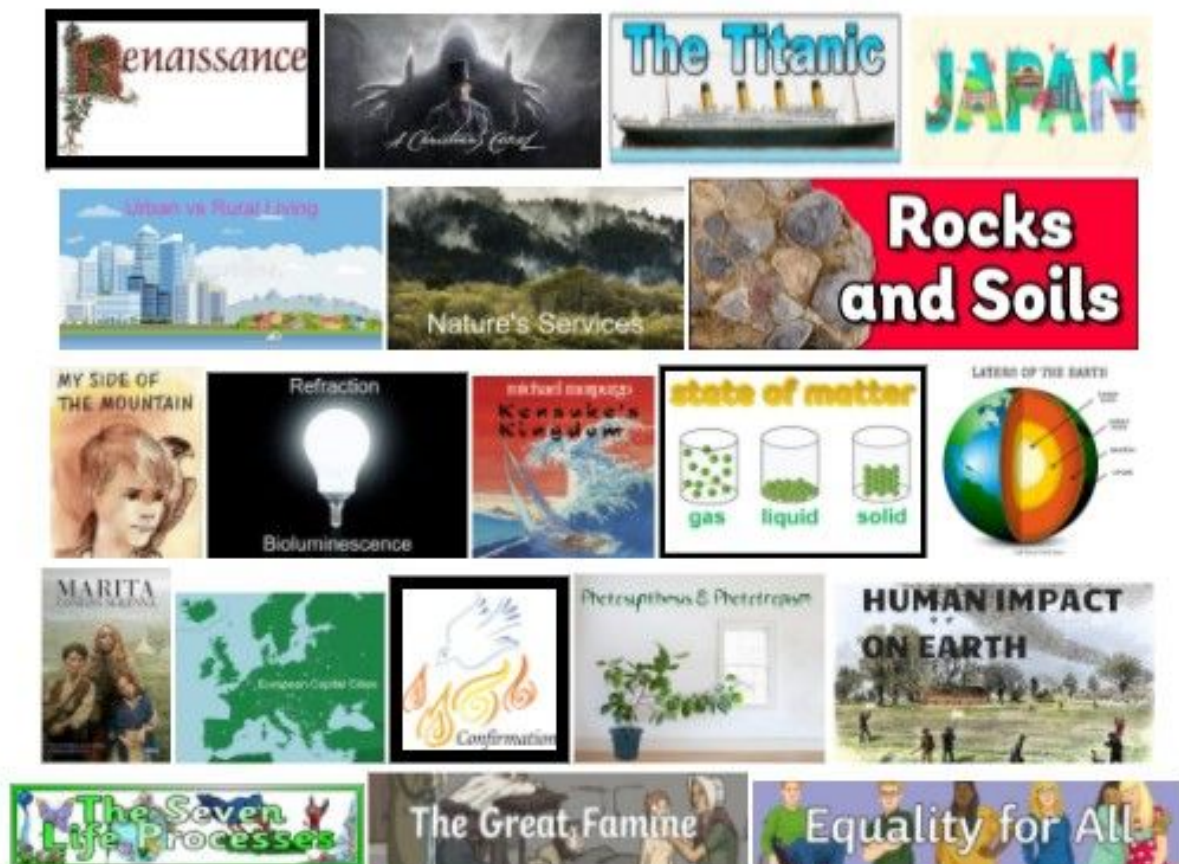

- ★ Look at this video which Ratoath College put together to introduce next year's prefects (cinnirí)
<https://www.flickr.com/photos/129136178@N06/49947610138/>
- ★ I would like everyone to take a video of themselves so we can make the same type of presentation.
 1. Write your **FIRST NAME ONLY IN BLOCK CAPITALS IN A STRONG COLOUR USING MARKER** on an A4 page - make it look really nice, do a nice design!
 2. Crumple it up and give it to someone. Have them throw it to you from **YOUR RIGHT**, catch it and uncrumple it - hold it up to the camera, then throw it off camera **TO YOUR LEFT**. (It might be a good idea to put an x on the top of the page at the back so you know you are holding it up to the camera right way up!)
 3. In the video one guy drops the page and looks confused, one girl has her dog catch it then takes it off him - be as creative as you possibly can... show your personality in your video. Make it interesting!!!!
 4. Video yourself in landscape format. Wear your **UNIFORM** - I know I said own clothes previously but myself and Ms. O'Connor have changed our mind! Hope this doesn't cause any inconvenience. Upload to seesaw or email to me

Collage

- ★ Look at this collage showing many of the things we have studied this year and then look at this lovely collage by Ellen inspired by Easter, and this collage by Christopher inspired by his love of football. I would like you each to create a 6th class collage with memories of topics we studied, books we have read, sporting events we have attended and anything else that is special to you about your **final year** in St. Andrew's National School. Use photos, pictures from magazines or newspapers, your own artwork or drawings and anything else that you feel inspired by. We will be displaying these in the school so please give it your best shot!! Upload to seesaw or email when ready... take at least a week to do this activity.

Please make the collage on an A3 sized page/ card.

Mass

- ★ During the week I will be discussing how we can have graduation mass with Ms. O'Connor and Fr. Brendan. At the moment we must assume that this will take place remotely but even so we will have a special day using technology to get together and celebrate your time in our school. If and when the option of having a celebration in person becomes available I will let you know. Please see graduation mass jobs below. I will let the singers know the exact piece they will be performing when I consult further with Ms. Horgan.

PRAYERS OF THE FAITHFUL

Danny: Lord, we thank you for the support of our parents throughout the years. We hope that they know how much we appreciate them. Although sometimes we might have difficulty showing it, we pray they know how important they are to us. Lord hear us.

Conor: Lord, we pray for the staff of our school. We thank them for their support and guidance throughout our time in primary school. May they continue to guide and support all who pass through this school. Lord hear us.

Mylo: Today is a special day for giving thanks. We pray that we will be more thankful in life. We pray that we will always have the ability to show love and forgiveness as Jesus taught us. Lord hear us.

Christopher: Today, we think of all the friends we have made while at primary school. May we continue to laugh together and support each other when times are difficult. Thank you God for blessing us with friends. Lord hear us.

Grace: We pray for those children who will start out on their primary school journey this September. May they find friendship, fun and happiness in their days at school. Lord Hear Us.

Kevin: As we prepare for the next chapter in our education, we ask God to give us strength and guidance as we adjust to all that is new. May we always remember that God is with us guiding us through the unknown. Guide us to remain true to ourselves, as we step tentatively into the future. Lord hear us.

Thomas: We pray for all of us boys and girls, as we celebrate our graduation from primary school today. May we always try to live like Jesus and grow more like him as we follow him each day of our lives. Lord hear us.

Ryan: We pray for all those who have died, especially those members of our own families and those who have lost their lives to Covid 19. May they find eternal rest in Heaven. Lord Hear Us
