

WORKING AT HOME

Hello 3rd and 4th class,

We hope you are all keeping safe at this time. Please remember to wash your hands regularly and maintain safe social distances from your friends. We know this is a very difficult time as you would love to be able to meet up and play with your friends. We are all in this together and if we follow and adhere to the guidelines we will help to contain the spread of Covid 19.

We have submitted work on the school website for next week (30th March – 3rd April). Please try to complete as much of the work as possible. However if you are experiencing any difficulties with the work assigned please do not worry unnecessarily. We will return to this work when we return to school. The most important thing is to keep safe and try to get as much fresh air as possible during this beautiful weather.

Take care everyone,

Ms Horgan and Ms Gilligan.

Try to follow the same timetable every day to do your work.

As a suggestion you could try this:
