

Choose the correct ending for each verb in the Aimsir Fháistineach. The Aimsir Chaite and Aimsir Láithreach are done for you. Write each set of three sentences out in your hardback. Translate each one into English also. Copy the example each time you do a set of three. You only need to do one set of three per day. The most important thing is to understand the “Caol le Caol Leathan le Leathan” rule.

### REMEMBER!!!

"...fidh" if the root's final vowel is slender (an 'i' or 'e'), or

"...faidh" if the root's final vowel is broad (an 'a', 'o' or 'u')

### **SAMPLA – do each one in your hardback exactly like this example**

I left my house at nine o'clock yesterday.

Fágaim mo theach ag a naoi a chlog gach lá.
