

Senior infants Week 5<sup>th</sup> May 2020

Maths

The topic this week is Data

Refer to <https://my.cjfallon.ie/dashboard/student-resources/?levels=0&classes=0&subjects=0&serieses=0&booktitles=0&types%5B0%5D=Book+Sample>

The pages are 100 and 101 in the Busy at Maths book.

The children are to collect data and then organise it into a chart and answer questions on it .

An example would be to put out loads of knives, forks, spoons and teaspoons.

Get them to sort into groups and count them. Display this on a simple bar graph and answer questions like

how many forks? How many knives? How many more knives than spoons?

How many fewer spoons than forks ? This language can be difficult and needs practice .

They could choose another activity maybe types of shoes ,colour of lego blocks etc

We still want to keep going over addition to 10 .Written both vertically and horizontally.

Listen to The Big Numbers song <https://www.youtube.com/watch?v=eOdJWfQHF8Y>

Call out numbers and get them to write them down eg. 10 20 30 and then try 21 etc.

## **Handwriting**

Destination Earth This week is Aisa. It is a continent. If you have a map of the world or globe look for Aisa.

Watch the clip a few times and try to remember 5 or more new facts you have learned.

Can you name any countries in Aisa.

Write them down and perhaps draw a picture.
